November 4, 2005

The Honorable Rush Holt
United States House of Representatives
Washington, DC 20515

Dear Representative Holt,

On behalf of the Anti-Defamation League, I want to thank you for introducing H.Con.Res. 260. Your effort is vital to raising awareness, not just about the groundbreaking path of reconciliation that was charted by Nostra Aetate forty years ago, but of the obligation to fight anti-Semitism in our own time.

This resolution compels all of us to learn from the action taken by the Catholic Church and the importance of soul-searching and taking leadership against any form of hatred, bigotry or religious intolerance.

We never thought that we would today be dealing with a resurgence of hatred and violence against Jews, but I am heartened that Congress, and Members like you, are committed to speaking out and taking action against it.

Sincerely,

A handwritten signature in dark ink, appearing to read "Abraham H. Foxman".
